WELCOME TO OUR COMPANY

Goods transport in India has become more specialized than ever before. The Company had a humble beginning in 2014 from a small place in Aslali, Ahmedabad, and has now transformed into a leading transport company in India having a network of more than 50 branches across the country, we endeavor to serve our customers with unparalleled speed, safety, and service, which is also the motto of our company.

Once your shipment arrives at any of our terminals, it becomes our responsibility to deliver it to the destination within the guaranteed time.

Carry on Logistics today operates from Aslali SP Ring Road, Ahmedabad, offering comprehensive services even from the remotest areas of the country ensuring absolute peace of mind and total customer satisfaction. Our service, speed, efficiency, and reliability have guided our growth since inception.

Changing times and requirements have meant that a consignment never leaves our system till the final delivery is made at the door of the customer. The competitive environment has created the need for faster, efficient and high-end transportation solutions.

Once your shipment arrives at any one of our terminals, it becomes our responsibility to carry it, along with your trust, to the final destination within the guaranteed time.

OUR VISION

01

To emerge as the front-runner and bell-weather Transport company with a proven commitment to redefine excellence in every facet of the business. We are committed to recognize and reward our people to ensure employee satisfaction, which will in turn drive consumer loyalty leading to sustainable profit growth and improved company value.

02

Our special emphasis is on becoming the undisputed leader in the country by providing uncompromising logistics solutions to our esteemed clients. Bridging the gap between 'Indian and International practices and standards' is high on our priority list.

03

As reliable partners to our clients, we offer tailor-made and innovative transport solutions across the frontiers. The exceptionally high-quality and reliability of our services will create lasting values for our clients, employees, shareholders and also the industry.
